

Do You See the Emu?
(To the tune of Frère Jacques)

**Is that thunder? Is that thunder?
Will it rain? Will it rain?
Do you see the emu? Do you see the emu?
Yes I do! Yes I do!**

**It's not thunder! It's not thunder!
It's emu! It's emu!
Hear the emu booming. Hear the emu booming.
Hear her talk! Hear her talk!**

**Oh how pretty, oh how pretty!
See her strut! See her strut!
See the emu strutting, see the emu strutting!
See her walk! See her walk!**

**It's not thunder, no not thunder
It's emu! It's emu!
See the emu strutting; hear the emu booming!
See her walk; hear her talk!**
