Beans 'N Brats

When you have men asking where they can buy something you just served, you know you have a winner. The secret here is the Brats. They were emu brats made in Wisconsin.

- 2 (28-oz) cans Bush's Country Style Baked Beans
- 1/2 cup molasses
- 1/2 cup brown sugar
- 1 package Emu Garlic Brats

Mix the beans, molasses and brown sugar. Arrange the brats in a large Pyrex baking dish. Pour the beans over the brats.

Bake at 350° F for 30 - 45 minutes.
