

Soil Sisters Poster – Example #2

Using Microsoft Publisher, I easily created the attached poster for a 2015 Soil Sisters Open House that our farm hosted. Sugar Maple Emu Farm was a part of the Green County Soil Sisters “Tour the Farms Day” event. This poster was displayed on all store, bank and library bulletin boards available in our community and surrounding area. I saved it as a .jpeg (picture) and sized it (usually 4”x6”) so that it was easy to upload online.

This poster was, also, displayed on my website, www.SugarMapleEmu.com . It could be found under “Tour the Farms Day” on our website EVENTS page. It was, also, on our farm Facebook page, www.facebook.com/SugarMapleEmus .

This may give you some ideas on how you can publicize your N.E.W. event.
